

**International Society of  
Arthroplasty Registries**

## **11<sup>TH</sup> Annual International Congress of Arthroplasty Registries, Dublin, Ireland, September 3-5, 2022**

Dear Colleague,

We look forward to welcoming you to Dublin, Ireland for the 11<sup>th</sup> International Congress of Arthroplasty Registries. This will be held September 3-5, 2022 at the Royal College of Surgeons in Ireland (RCSI).

Home to 1.5 million citizens, Dublin is known worldwide as a vibrant, friendly city that is also steeped in history. Dublin city centre is compact, making it easy to get just about anywhere you want to go on foot. The RCSI main campus is right in the heart of the action and just off one of the most famous parks in Europe, St Stephen's Green and the busy Grafton Street shopping district.

An exciting scientific and social program has been planned for you, including state of the art methodologies and the latest international registry clinical findings. The social program will provide networking and relationship building opportunities with registry experts from around the world. A drinks reception will be held on Saturday 3<sup>rd</sup> September in the Museum of Literature in Ireland and a formal dinner will be held in Trinity College Dublin on Sunday 4<sup>th</sup> September. All venues are within a 10 minute walking distance from each other.

Of course, attending the ISAR Congress is not just about presentations, workshops and networking. It is an opportunity to experience the culture of the host location. Ireland is famous for its hospitality, and its 'cead mile failte', (which means a hundred thousand welcomes!) While there are many attractions in Dublin, delegates can use the city as a base for vacation days before and after ISAR, to explore Ireland's heritage, landscape and culture.

We look forward to seeing you soon.

**Paddy Kenny**

Chairman of the Local Organizing Committee  
Clinical Lead, Irish National Orthopaedic Register

# International Society of Arthroplasty Registries
